Ordering Information

Calling 800 554 4133 is still the fastest way to get an order in. BP's staff is not on commission, so if you have a question you can trust our recommendations. We get paid the same whether you give us your order or we refer you to someone else. No other Land Rover parts distributor in the US can make that claim. If the line is busy please try again: we spend as much time on the phone as you require. The busiest times are early morning and lunch time. Afternoons are usually easier to reach us, until 7:00 PM eastern.

You can also place an order on-line at:

<http://www.landroverparts.us/salesform.html>

This is a secure connection and your order will be confirmed by e-mail during normal business hours. We are not automated (costs too much) and a real person looks over every order to make sure you get the right part and everything you need for the job. We're not Amazon.com, we're better: you talk to real people.

We accept fax orders at: 661 257 9765

Shipping Options

We ship within the US and to APO-FPO's only. No overseas orders, please! We use UPS and US Postal Service for most of our orders. Priority Mail is fast and reliable on items under 5 lbs. Over 5 pounds UPS Ground is usually cheaper. We also prefer to ship UPS on high dollar items regardless of weight. We offer Orange (3-day) Blue (2-day) and Red (overnight) services at extra cost. We can also use FedEx on request. We will ship by the customer's request when possible. Orders must be in by 2:00 PM Pacific (5:00 Eastern) for same day shipping.

Large items that require truck freight can be quoted before dispatch. You can also 'will call' any item for pick up at our Valencia facility at no charge.
