**Wipers**

Wiper Motor, front	STC495	through '94
	AMR1515	from '95 on
Wiper Arm, front	PRC1895	through '89
	PRC6839	from '90 on
Wiper Blade, front	RTC6787	through '89
	PRC9841	from '90 on
Rear Wiper Blade	RTC6787	through '89
	PRC9841	'90-on
Washer Pump, front	ADU3905	through '88
	PRC7045	from '89 through '94
	STC1454	from '95 on
Washer Pump, rear	ADU3905	through '94
	STC1453	from '95 on

To remove blades on later model 'shepherd's crook' style ('90-'95); press button and pull blade assembly straight back along wiper arm. When clear of post, slide blade sideways then push through. They can be stuck sometimes, so don't worry if they pull off a little hard. To install, push blade past hook, slide blade to center, then press the plastic block in until it clicks. It's easier than it sounds.

**Liftgate**

Liftgate Handle	MWC8656	
Upper Liftgate Strut	MXC7833	2 required
