

'Bar' type guard

Dog Guards, Bar or Mesh Type

Designed to be used with the loadspace cover and split folding seats, this guard is great for pets or gear when on the trail. The bars are 4" apart and don't significantly affect rearward vision. Fold down the seats and there's your full depth for cargo. Comes with hardware and instructions: construction is steel with black vinyl coating, 20 lbs.

Locking Lug Nuts

For alloy wheels
GLN001

Land Rover alloy wheels are expensive to replace: and while they don't fit other trucks, the tires you have on them will. Save those pricey skins with a good set of locks: uses one per wheel.
