

IPF bulbs

IPF halogen bulbs are sold individually.

- | | |
|----------------------------------|-----------|
| 55/60 watt | HHC126055 |
| 80/110 watt | HHC121080 |
| Philips Vision Plus H4 55/60, pr | GBK002 |
| H3 55 watt single filament | HBJ-12055 |

Finally, complete off road lighting kits priced at what some folks charge for one light! They are ideally suited for Land Rovers, due to their low current draw and rugged construction.

IPF 968CS Series

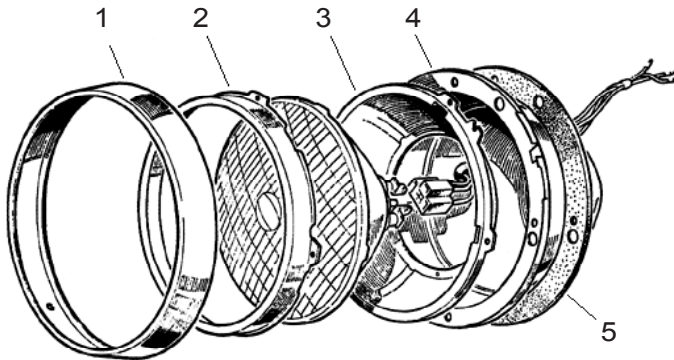

An affordable outfit for any application. 55 watt H3 bulbs, 6" hardened glass lenses, includes all hardware, wiring, relay, fuse, switch, and covers. The kit is easily installed, and are perfectly suited for any of our brush bars, ARB bull bars, or any Land Rover bar with light tabs. Beams have a conical projection, with the tip out front. They radiate 26' on either side of the light, and project out 265'. They're perfect for long dark highways or twisty trails. **968CS**

Genuine Land Rover Work light

Genuine waterproof work light with mounting kit, wiring, and internal and external switches. H3 halogen bulb, swivel base. Looks great on racks or the rear body. RTC8921AA
